About Sanjeevani Classes

Sanjeevani Classes, a premier Institute for IIT-JEE & NEET preparation, located in Chhoti Khanjarpur, prime location of Bhagalpur, is creating waves of success among the aspirants of IIT-JEE & NEET. Its foundation was laid by two well known educationalist brothers **SHRIOM SIDDHANT & HARIOM SIDDHANT** with the motto to unleash the secrets to achieve good ranks in IIT-JEE & NEET with the moral and social values. The institute has been imparting quality education to inculcate scientific temperament in technological advancements. The institution wants to hold the students to high and attainable expectations for academic success while preparing them for the greater challenge of IIT-JEE & NEET. The key factor of our organization lies in the full time dedication of our highly experienced & motivating faculty members in different streams with magical teaching methodology. Answering the most difficult problems in the most understandable form has been the constant effort of our faculty members. The vision of our organization lies in providing quality education in the easiest possible ways, which can motivate the spirits of even an average student in developing the conviction that “ I can also do it and I will do it”. Recognizing the facts, that the needs of aspirants are diverse, although they share a common goal of qualifying the entrance exams, we have planned a number of courses to meet their needs. The courses as described, can be taken exclusively or in a suitable combination so as to best supplement your efforts in achieving the ultimate objective.

Hello Dear Students and Guardians,

I am delighted to introduce you **Sanjeevani Classes** which has been set up to impart liberal, scientific and professional knowledge in this part of the country to crack *IIT-JEE (Main+Advanced) & NEET* with excellent rank to get admission in the best technical institutes of India. The objective of our institute has been to provide an open-minded and stimulating academic ambience with the ultimate goal of fulfilling the modern requirements. It is my proud privilege to produce the batches of well equipped young minds, capable of delivering result in this fast paced extremely challenging and competitive environment. I am quite happy that the products of this institute is fulfilling the expectations of all concerned. The Institute holds its image for having highly qualified and committed faculties and I express my gratitude to all for extending guidance and assistance in promoting the aim and ideas for which the institute has been set up.

My dear students, you are braver than you believe, stronger than you seen & smarter than you think. So do something today that your future self will thank you for. I promise, the closer you look at **Sanjeevani Classes**, the more confident you'll be in your decision to Join.

Students, do extraordinary hardwork, believe in yourself & your mentors to achieve your assured success. I wish u all the best for your *IIT-JEE / NEET* preparation and for your bright future. **Thank You !**

Dear students,

There is no substitute to hard work, you must have heard but hard work accompanied by smart work is the key of excellence in the present world of cut-throat competition. Students generally find themselves in the ocean of confusion and dilemma when it comes to prepare for any exam usually students do not know how to start and what to study.

We aspire to make our students excel in terms of thought, ideology and performance. To achieve this, I and my faculty work with commitment and dedication with such an endeavour, we are sure of achieving the pinnacle for success.

Here at **Sanjeevani Classes**, we truly understand that the final outcome is always in the hands of student but we also believe that it is the teacher who can truly direct the student to achieve the desired goal, I take personal interest in what's going on in my class, to confirm that we as an organisation achieve the desired outcome.

In our view, preparation of examination is based on three pillars.

Concept Clarity, Contextual familiarity and Application Expertise. Our innovative and dedicated teaching ensures that every student gets a firm grip of each of these pillars so very essential for arduous preparation. I on behalf of entire **Sanjeevani Classes** team welcome you to join us and feel the blend of quality & innovation that can change you to be the world class professional.

RISHAV KUMAR (MBBS, PMCH-PATNA)

The faculties are really amazing. I find me very lucky for being studied under the legend teachers-Shriom sir for chemistry and Hariom sir for physics. (if you get the chance to learn from them you will find the magical approach of teaching).

RAJ KAMAL (M.TECH, IIT-KHARAGPUR)

JEE Advanced is a different type of exam that has no fixed pattern & students have to decide the approach of attempting the paper on the spot and **Sanjeevani** is the place where you are brought to your best. With highly experienced faculty. I passed my best years of my life learning & sharpening myself with the **Sanjeevani** team.

KISHORE SOURAV (NISER-BHUBANESWAR)

Sanjeevani classes fulfil the dreams of many students by giving proper knowledge and education...Hats off Sir.

KUMARI SHIVANGI (B.TECH, IIT ISM-DHANBAD)

I believe that I was lucky enough to have studied at **Sanjeevani** because the faculty apart from being brilliant at academics were very supportive and provided a guidance at each and every stage like a guardian. Regular tests throughout the year sharpened my problem-solving and boosted my confidence for all the competitive exams, and made me possible to be a proud IITian.

RAMESH RANJAN (B.TECH, NIT-BHOPAL)

During two years classroom program, excellent faculties of **Sanjeevani** help a lot to learn many tricks and even clearing minute doubt.

PRIYANSHU RAJ (MBBS, AFMC-PUNE)

The team present here are the best. They help you a lot and their way of teaching is very good one can easily get the things. They motivate students a lot.

RISHU SHANDILYA (MBBS, NARAYNAPUR MEDICAL COLLEGE)

A very renowned institute that needs no introduction in Bhagalpur. The quality of teaching is very excellent and the classes are just awesome. You can get doubt clear infinite number of times and the faculties will just welcome you with a smile whenever you go to them.

PREETI KUMARI (B.TECH, IIT-BHU)

I had admitted for two years classroom program. There are lots of ups and downs in this period ,but our faculty always motivated us this was the best part. They are just like our guardian. Sometimes they being rude but on the other second they are just like our friend .They created a great potential in me. For this kind of act I shall always be grateful to you.

SHUBHAM KHAITAN (B.TECH, NIT-PATNA)

I am **Sanjeevanian** & I like **Sanjeevani** too much. There are many reasons why I like it.
1. All the faculty are extraordinary.
2. They know everything about students.
3. They always support students.
4. Last but not the least..... the storming motivation by Shriom sir and Hariom Sir.

RAJEEV RANJAN (B.TECH, NIT-PATNA)

Sanjeevani is highly inspiring & motivating. The attitude of teachers is very friendly, beside teaching, teachers also taught us the way living life freely & confidently. The study materials contains unique questions as per requirement. The teaching methodology is purely systematic.

SWATI SUMAN (SKMCH-MUZAFFARPUR)

The best part of **Sanjeevani** is that the teachers have successfully mastered the art of making the student learn, rather than read environment here is competitive yet progressive.

NITISH KUMAR (B.TECH, IIT-KHAGADPUR)

Sanjeevani is the place where i found myself and got the best faculties who turned me into a enhanced one. Here, student get the fabulous education as well as the parental & healthy environment. **Sanjeevani** is the place where I got the wings for my dream. It's my Proud to be a **Sanjeevanian**.

ANKIT KUMAR (B.TECH, NIT-SRINAGAR)

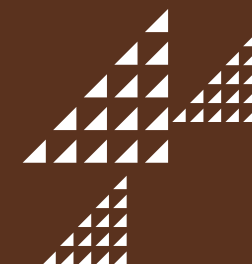

Quality education is what I received at **Sanjeevani**. Interactive classes with regular doubt-clearing sessions interested me a lot. Am very thankful to all the teachers and the faculty for whatever I have achieved today.

GURUCHARAN KUMAR (MBBS, IGIMS-PATNA)

The teachers are very helpful and nice .They motivate and keep you fired up. The regular test series and doubts clearing sessions really helped me a lot in achieving my goal.

DARAKSHA NAAZ (MBBS, MEDNIPUR MEDICAL COLLEGE)

Sanjeevani has made me from mediocre to medico..this institute has helped me to change impossible to possible ..changes my chemistry marks from 7 (neet 2018)to 130(neet 2019) .There is no discrimination between losers and toppers...Bio is taught fully ncert based by Dr sir..And for every medico physics seems difficult but hariom sir has made it cup of tea..90% questions in neet come directly from class notes copy..Best thing which made **Sanjeevani** unique from other institute..that there is doubt class after every lecture...Here every faculty give attention to all studentsSo at last ..today whatever I am just coz of hariom sir and shriom sir..

We Proudly Define Honesty, Intellectuality & Devotion,
We are Incredible Sanjeevanian...!!!
